

Technical drawing of a rectangular component with a central circular pattern. The overall width is 147, and the overall height is 112. The central pattern has a height of 58 and a width of 130. The distance from the top edge to the top of the central pattern is 32. The distance from the left edge to the left of the central pattern is 14. The central pattern consists of 15 circles arranged in a grid. The outer dimensions of the central pattern are 130 in width and 58 in height. The distance from the left edge to the left of the central pattern is 14. The distance from the top edge to the top of the central pattern is 32. The overall width is 147, and the overall height is 112.
